

Cleaning

We are asking all Pre-competitive and competitive families to help to keep our gym clean this year. All families have been assigned 3 – 4 cleaning days throughout the competitive year, see attached schedule. Families have been paired and will clean the upstairs viewing area, front entrance, and change room areas. Each pair can decide how they will split the work. Please complete your cleaning on the first day your child trains during the week.

A task list is posted on the inside of the door under the stairs. Please check off items as they are completed so the other family can see what has already been done and initial under your week when finished.

If you are unable to clean on your assigned week it is your responsibility to find someone to trade with. The schedule will be posted with the checklist if you forget what days you are assigned to.

The recycling will now be a part of the cleaning checklist. Each week the team responsible (up to you to decide who will do this) will collect the recycling from both the recycling bins and take it into Sarcan to be recycled. The money is to be put in an envelope marked as “For Denise, recycling” and given into the office. The recycling bins are located beside the shoe rack at the front entrance and upstairs by the toy area. Please replace the bags in the bins.

All cleaning supplies are in the room under the stairs or in the room next to the girls change room. If you have any questions please ask Markos or Heather.

Please contact Heather Anderson if any supplies are needed (384-9705) or put a note in Dylan Anderson’s mailbox.
